Paroles de chanson

04/05/2026

She said, "Don't make others suffer for your personal hatred."

Par ????

Album : NEON GENESIS EVANGELION II

Am i awake?

Am i alive?

These lids are heavy over my bloodshot eyes

These drugs make my mouth so dry

These thoughts make me want to die

I'm worthless

I'm so worthless

I'm sorry that i'm like this

These terms of endearment are fears of disappointment

And i've lost years to this disease

This disease no one can see
