Par 2 Chainz

Album : Pretty Girls Like Trap Music

Uhh, alright

I did it, hahah, yeah

ICIBILLET.COM

Yeah, used to treat my mattress like the ATM, yeah

Bond number 9 that's my favorite scent, yeah

Can't forget the kush I'm talking OG, yeah

Rest in peace to pop, he was an OG, oh yeah

285 I had that pack on me

Uh, I can not forget I had that strap on me

Yeah, rest in peace to my nigga Doe (Troup)

All he ever want to do is ball

That was the easy part

We playing that Weezy hard

We sit in the kitchen late

We tryna to make an escape

Trying to make me a mil

So I'mma keep me a plate

I told 'em shawty can leave

So I'mma keep me a rake

So I'mma keep me a Wraith

My jewelry look like a lake (water)

Today I'm in the Maybach

And that car came with some drapes

You know I look like a safe

I put you back in your place

I look you right in your face

Sing to your bitch like I'm Drake, yeah

Good drank, big knots

Good drugs, I put a four on the rocks (lean)

Drop top, no hot box

12 tried to pull me over, pink slips to the cops

She said the molly give her thizz face

Put the dick in her rib cage

Whips out Kunta Kinte

Diamonds clear like Bombay

Take your babies, no Harambe

Play with keys like Doc Dre

3K like André

Need a girl call her, come through

It's Gucci! Huh (brr!) huh!

Your trunk in the front, well check this out my top in the trunk

You play with my money then check this out your pop in the trunk

Three mil in a month, but I just did three years on a bunk

Oh you in a slump I'm headed to Oakland like Kevin Durant

What is your point, square with the stamp, for Kevin Durant

Lay on on my trap, play with my cap and I'll knock off your hat

I'm taking the cheese and killing the rats

Gucci Mane, call me the cat with the rat

I'm swervin' but I'm in back of the back

I'm Persian, man I got hoes from Iraq

I'm servin' I pay a bird for that

He nervous, I ain't got no word for that

He heard and want all of his purses back

He mixing the seal with the percocets

She perfect and she got perky breasts

I just want some of that turkey neck

Trapper of the year I'm from Boulder Crest

You snitch of the year cause you told the best

Good drank, big knots

Good drugs, I put a four on the rocks

Drop top, no hot box

12 tried to pull me over, pink slips to the cops

She said the molly give her thizz face

Put the dick in her rib cage

Whips out Kunta Kinte

Diamonds clear like Bombay

Take your babies, no Harambe

Play with keys like Doc Dre

3K like Andre

Need a girl call her, come through
