Wiggle It

Par 2 In a Room

Album : House Flash Vol. 22

As it grooves, your body moves
Your body starts to get the feelin'
And what you're feelin' is happiness

Let your body go as you listen
Let it flow to your system
It'll take control of your mind
And make you move your behind

As it grooves

You feel the tension

In the air and now you're hype

You're gettin' down cause

Because the sound is just your type

G-N and D-O-S-E

Stickin' it to you right

So come on, come on and

Party hearty all night and

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

Once the DJ lets it spin

It'll penetrate your skin

It'll penetrate your soul

And make you lose control

The D-O-S-E's comin' at you

Invadin' you like a body snatcher

Wether if you're drink or sober

This here groove is takin' over your body

And now you're partyin' like

You never partied before

You're jumpin' up and down

Like crazy on the dance floor

You're gettin' busy like a bee

And that's the truth

I got a feelin' there's a fire

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

I bet you're movin' your body

From side to side

I bet the groove that you're hearin'

Is keepin' you satisfied

Dancin' by yourself

Is bad for your health

So grab a cutie by the hand

And tell her that you wanna dance

As it grooves

You feel the tension

In the air and now you're hype

You're gettin' down

Because the sound is just your type

G-N and D-O-S-E

Stickin' it to you right

So come on, come on

Party hearty all night and

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

Rotate your waist just a tad

Get bold, better yet get bad

Get nasty, get naughty

And if you wanna to crack a forty

But don't drink it

If you're drivin'

Word 'em up, y'all

I ain't jivin'

Just kickin' it live and makin' you

Wiggle it just a little bit

And now you're partyin' like

You've never partied before

You're jumpin' up and down

Like crazy on the dance floor

You're gettin' busy like a bee

And that's the truth

I got a feelin' there's a fire

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

Wiggle it just a little bit

I wanna see you

Wiggle it just a little bit

As it grooves

(Wiggle it)

(As it grooves)

(As it grooves)

(As it grooves)
