My First Kiss (Gucci Mane remix) (feat. Ke\$ha)

Par 3OH!3

Album : My First Kiss (remixes) (feat. Ke\$ha)

My first kiss went a little like this

And twist, and twist

Well my first kiss went a little like this

And twist, and twist

I said no more teachers

And no more books

I got a kiss under the bleachers

Just hoping that nobody looks

Lips like licorice

Tongue like candy

Excuse me miss

But can I get you out your panties?

In the back of the car

On the way to the bar

I got you on my lips

(I got you on my lips)

At the foot of the stairs

With my fingers in your hair

Baby, this is it

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Oooh-Oooh-Oooh-Oooh

Oooh-Oooh-Oooh-Oooh

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Oooh-Oooh-Oooh-Oooh

Oooh-Oooh-Oooh-Oooh

Well my first kiss went a little like this

I said no more sailors

And no more soldiers

With your name in a heart

Tattoo upon his shoulders

Your kiss is like whiskey

It gets me drunk

And I wake up in the morning

With the taste of your tongue

In the back to the car

On the way to the bar

I got you on my lips

(I got you on my lips)

At the foot of the stairs

With my fingers in your hair

Baby, this is it

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Oooh-Oooh-Oooh-Oooh

Oooh-Oooh-Oooh-Oooh

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Oooh-Oooh-Oooh-Oooh

Oooh-Oooh-Oooh-Oooh

My first went a little like this

And twist

And twist

Well my first kiss went a little like this

And twist

And twist

Yeah she won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Ooh-oo-oo-oo-oo-oo

[Yeah]Oooh-Oooh-Oooh-Oooh

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Oooh-Oooh-Oooh-Oooh

Oooh-Oooh-Oooh-Oooh

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say

Oooh-Oooh-Oooh-Oooh

Oooh-Oooh-Oooh-Oooh

She won't ever get enough

Once she gets a little touch

If I had it my way

You know that I'd make her say.
