For Those About to Rock (We Salute You) (live)

Par AC/DC

Album : Box Set

We roll tonight (we're on tonight)

Till the guitar bite

Yeah, yeah, oh

Stand up and be counted

For what you are about to receive

We are the dealers

We'll give you everything you need

Hail hail to the good times

'Cause rock has got the right of way

We ain't no legend, ain't no cause

We're just livin' for today

For those about to rock, we salute you

For those about to rock, we salute you

We rock at dawn on the front line

Like a bolt right out of the blue

The sky's alight with the guitar fight

Heads will roll and rock tonight

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you

Yes we do

For those about to rock, we salute you

We salute!

We're just a battery for hire with a guitar fire

Ready and aimed at you

Pick up your balls and load up your cannon

For a twenty-one gun salute

For those about to rock - fire

We salute you

For those about to rock, we salute you

Those about to rock - fire

We salute you

Fire

We salute you

We salute you

Come on, whooa

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you

For those about to rock, we salute you

Shoot, shoot

Shoot, shoot

For those of you, who know what it takes

Those in the tent we salute you

We salute you, we salute you, we salute

We salute you in the tent, we salute you

Fire
