Love At First Feel

Par AC-DC

Album : Dirty Deeds Done Dirt

You never told me where you came from

You never told me your name

I didn't know if you were legal tender

But I spent you just the same

I didn't think it could happen to me

But I fell in love in the first degree

It was love at first feel

I was touched with too much

They told me it was disgustin

They told me it was a sin

They saw me knocking on your front door

And they saw me smile when you let me in

You and me baby we're all alone

Let's get something goin

While your mum and dad ain't home

It was love at first feel

Feel good just like I knew it would

Love at first feel

It was love at first feel

Love at first feel

It was love at first feel

Love at first feel, lightning bolts in my fingertips

Love at first feel

Love, whoo

Love at first feel

Love at first feel

Love at first feel

Love at first feel

Love at first feel

Love at first feel

Love at first feel
