Problem Child

Par AC?DC

Album : If You Want Blood You've Got It

Cop this

I'm hot, and when I'm not

I'm cold as ice

Get out of my way, just step aside

Or pay the price

What I want I take, what I don't I break

And I don't want you

With a flick of my knife, I can change your life

There's nothing you can do

I'm a problem child

I'm a problem child, yes I am

I'm a problem child

Runnin' wild

Make my stand, no man's land

On my own

Man in blue, it's up to you

The seed is sown

What I want I stash, what I don't I smash

And you're on my list

Dead or alive, I got a .45

And I never miss

Oh I'm a problem child

I'm a problem child

I'm a problem child

Just runnin' wild

Just watch your step

Every night, street light

I drink my booze

Some run, some fight

But I win, they lose

What I need I like, what I don't I fight

And I don't like you

Say bye-bye while you're still alive

Your time is through

'Cause I'm a problem child

I'm a problem child

I'm a problem child

I'm a problem child

Problem child

I'm a problem child

Even my mother hates me

I'm a problem child

I'm a problem child

Problem child

Problem child

Problem child

Problem child (you've got your troubles, I've got mine)

Problem child

Problem child

Problem child

Problem child

I'm a problem child

Problem child

And I'm running wild (problem child)

I'm a problem child (runnin' wild)

Problem child

Problem child

Problem child

Problem child (I'm a problem child)

Problem child

Problem child

Problem child

Problem child

Problem child
