Life Is a Flower (Remastered)

Par Ace of Base

Album : Greatest Hits

We live in a free world

I whistle down the wind

Carry on smiling

And the world will smile with you

Life is a flower

So precious in your hand

Carry on smiling

And the world will smile with you

When every race is run

And the day is closing in

I don't care about the world

I'm living for the light

Don't cry for me today, aah, aah, aah

We live in a free world

I whistle down the wind

Carry on smiling

And the world will smile with you

Life is a flower

So precious in your hand

Carry on smiling

And the world will smile with you

I cannot be your judge

Mr. Jailer is your host, he's keeping you inside

And hides you from the world

No catcher in the rye can help you from yourself

We live in a free world

I whistle down the wind

Carry on smiling

And the world will smile with you

Life is a flower

So precious in your hand

Carry on smiling

And the world will smile with you

Please Mr. Agony, release them for a while

Or learn them the consequences of living without life

We live in a free world

I whistle down the wind

Carry on smiling

And the world will smile with you

Life is a flower

So precious in your hand

Carry on smiling

And the world will smile with you

We live in a free world

(It's a free world ooh yeah)

Life is a flower

Ohh oh oh

Ohh oh oh

I whistle down the wind

Carry on smiling

And the world will smile with you

Ohh oh oh

So precious in your hand

Carry on smiling

And the world will smile with you

We live in a free world

Carry on smiling

And the world will smile with you

Life is a flower

Carry on smiling

And the world will smile with you

We live in a free world

Carry on smiling

And the world will smile with you

Life is a flower

Carry on smiling
