Cassie Eats Cockroaches

Par Acid Bath

Album : 4:25

"She came towards me, and with the light like it was, the like light of heavenly grace, and the first thing that flashed into me gulliver was that I'd like to have her right down there on the floor with the old in-out - real savage."

I feel the wetness of her tongue that slides across my skin

The viruses crawl over me and feel for some way in

Cassie loves to swallow, this bleeding will not stop

I left cassie hollow, cut you with my cock

Cassie likes it in her hand, Cassie's dead inside

I came to fuck the open wound, so hold it open wide

Cassie loves to swallow, this bleeding will not stop

I left cassie hollow, cut you with my cock

Show it to me, spread your legs

Don't you fucking look at me

Show it to me, spread your legs

You are so fucking suave

Let's fuck!

Take me into the ocean, lay me out on her shore

Wake me when the sun burns out and we'll run forever more

We're all gonna die tomorrow, the freaks are screaming burn it down

She can't feel the weather, I can't touch the ground

Pale and twitching, twisting to the cold dance

Watching the room grow old, a funeral romance

Somewhere, someone's screaming that the world's gone

Smear me with your blood and let these dead boys sing their grave songs

Suck

Slide across the warm red floor to meet me

Lock the bathroom door before they crawl to eat me

Cut her throat and whisper that we're going home

Twitching to the cold dance, they suck the meat from her bones

Suck, suck, suck
