Let the Music Do the Talking

Par Aerosmith

Album : Young Lust? The Aerosmith Anthology

Rock-a-bye baby if you wanna dance

Grab yourself a body and take a chance

Said one time around is all you get

I'm still dancin' so you lost your bet

I got a hardcore mama with a hot hoochie coo

Make my wheels start spinning like a formula two

Got one for the money, two for the show

Three for my honey and four to let you know that I

Let the music do the talking

Let the music do the talking 'cause I can't wait

Let the music do the talking

Let the music do the talking

Cheese cake maybe if I take another bite

I'm a real fat city I'm an aero delight

Threw out my pipe and my alkaline

Got a squeaky clean body and a dirty mind

I'm a real fine dancer, I'll be cuttin' the rug

Got a brand-new baby, she's my brand-new drug

I got one for the money two for the show

Three for my honey and four to let you know that I

Let the music do the talking

Let the music do the talking ('cause I can't wait)

Let the music do the talking (I gotta get it)

Let the music do the talking

Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Let the music do the talking

Let the music do the talking

Let the music do the talking

Let the music do the talking

Let the music do the talking

Let the music do the talking

Let the music do the talking
