I've Been Losing You

Par A-Ha

Album : Headlines & Deadlines (The Bes

It wasn't the rain that washed away...

Rinsed out the colours of your eyes

Putting the gun down on the bedside table

I must have realized

It wasn't the rain

That made no difference

And I could have sworn it wasn't me

Yet I did it all so coldly

Almost slowly

Plain for all to see

Oh c'mon please now

Talk to me

Tell me things I could find helpful

How can I stop now

Is there nothing I can do

I have lost my way

I've been losing you

I can still hear our screams competing

You're hissing your s's like a snake

Now in the mirror stands

Half a man

I thought no one could break

It wasn't the rain

That made no difference

Nervously drumming on:Run away

But I want the guilt to get me

Thoughts to wreck me

Preying on my mind

So, please now

Talk to me

Tell me things I could find helpful

For how can I stop now

Is there nothing I can do

I have lost my way

I've been losing you
