I Can Wait Forever

Par Air Supply

Album : Air Supply Singles

When you say I miss the things you do
I just wanna get back close again to you.
But for now your voice is near enough.
How I miss you, and I miss you love.
And no all the days that pass me by so slow
All the emptiness inside me flows all around
And there's no way out.
I'm just thinkin' so much of you.
There was never any doubt.

I can wait forever if you say you'll be there too.

I can wait forever if you will.
I know it's worth it all to spend my life alone with you.
When it looked as though my life was wrong

You took my love and gave it somewhere to belong.

I'll be here when hope is out of sight.

I just wish that I was next to you tonight.

And oh, I'll be reaching for you even though

You'll be somewhere else, my love.

We'll go like a bird on its way back home.

I could never let you go.

And I just want you know

I cant wait forever

If you say you ll be there too
