Lost In Love

Par Air Supply

Album : The Rock Collection (Soft Rock)

I realize the best part of love is the thinnest slice

And it don't count for much

But I'm not letting go

I believe there's still much to believe in

So lift your eyes if you feel you can

Reach for a star and I'll show you a plan

I figured it out

What I needed was someone to show me

You know you can't fool me

I've been loving you too long

It started so easy

You want to carry on, (carry on)

Lost in love and I don't know much

Was I thinking aloud and fell out of touch?

But I'm back on my feet and eager to be what you wanted

So lift your eyes if you feel you can, (feel you can)

Reach for a star and I'll show you a plan, (show you a plan)

I figured it out

What I needed was someone to show me, (oh, oh-oh)

You know you can't fool me

I've been loving you too long, (I've been loving you too long)

It started so easy

You want to carry on, (carry on)

Lost in love and I don't know much

Was I thinking aloud and fell out of touch?

But I'm back on my feet and eager to be what you wanted

You know you can't fool me

I've been loving you too long

It started so easy

You want to carry on, (on, carry on)

Lost in love and I don't know much

Was I thinking aloud and fell out of touch?

But I'm back on my feet and eager to be what you wanted

Now I'm lost, (lost in love and I don't know much)

Lost in love, (was thinking aloud and fell out of touch)

Lost in love, (but I'm back on my feet and eager to be what you wanted)

Lost in love

Now I'm lost, (lost in love and I don't know much)

I'm lost in love, (was thinking aloud and fell out of touch)

I'm lost in love, (but I'm back on my feet and eager to be what you wanted)

Lost in love
