Speaking Of Love

Par Air Supply

Album : Air Supply The Earth Is...

I've been in love, I've walked alone

I turned to you, but you were gone

I felt the doubt, it hurt me inside

Without your help, my hands are tied

You are my home, my place to go

My faith returned, you told me so

I feel you now, I'm standing beside you

Do you hear me calling just to remind you?

If you find me falling

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking of love?

Don't leave me now, I've come so far

To hear your voice, speak from your heart

I hear you now, you're standing beside me

Do you hear me calling just to remind you?

If you find me falling

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking of love?

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking of love?

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking of love?

Tell me, are we speaking-?

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking of love?

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking of love?

Hold me in your arms

Tell me that you want me

Whisper all the words that dreams are made of

Hold me in your arms

Tell me, are we speaking-?
