Young Love

Par Air Supply

Album : Air Supply Love Songs

Lately all my thoughts have gone to you

You know that's true

Sometimes I feel just a word away

You'll say oh how I miss you too I do

Time is tight I'm lost for words

That's not like me

Only your eyes could know the way that I feel

And how much I need you now with me

Young love so strong has never been a part of me

Young love hold on we're feeling it now is this the way it's meant to be

I know I'll be the one to lose if I'm so wrong

Don't be afraid to put your heart on the line

I'll take you where I know you belong

Take my thoughts away beyond the things we see

Sometimes it seems just a word away

You'll say oh how I really feel it should be

Young love so strong has never been a part of me

Young love hold on we're feeling it now is this the way it's meant to be

(Instrumental ##)

Young love so strong has never been a part of me

Young love hold on we're feeling it now is this the way it's meant to be

Young love so strong has never been a part of me

Young love hold on we're feeling it now is this the way it's meant to be

Young love so strong

Young love hold on

Young love so strong
