Heartbreaker (Album Version) [

Par Airbourne

Album : Runnin' Wild

She's so hot, she's so fine

I thought it out a thousand times

It's dangerous, no fear

What she wants I got right here

I'll bite and howl and tear her to bits

She's the one to scratch my itch

Oh yeah, she's my pill, she's my fix

Oh yeah

Give me one more night

(Heartbreaker)

Down on your knees

(Heartbreaker)

Just one more night

(Heartbreaker)

Is all that I need

(Heartbreaker)

Give me one more night

(Heartbreaker)

Down on your knees

(Heartbreaker)

Just one more night

(Heartbreaker)

Is all that I need

Heartbreaker

All right!

Lone walk, long stroll

So what, it's bought and sold

Ten to one, no chance

I took the odds for the Devil's dance

I sealed the deal and she said yes

So I put my hands right up her dress

And she said, "What's been taking you so long?" Yeah

Give me one more night

(Heartbreaker)

Down on your knees

(Heartbreaker)

Just one more night

(Heartbreaker)

Is all that I need

(Heartbreaker)

Give me one more night

(Heartbreaker)

Down on your knees

(Heartbreaker)

Just one more night

(Heartbreaker)

Is all that I need

Heartbreaker

All right!

Oh yeah, give me one more night

(Heartbreaker)

Down on your knees

(Heartbreaker)

Just one more night

(Heartbreaker)

Is all that I need

(Heartbreaker)

Give me one more night

(Heartbreaker)

Down on your knees

(Heartbreaker)

Just one more night

(Heartbreaker)

Is all that I need

Heartbreaker

All right, oh yeah

Oh heartbreaker

Come on

Oh heartbreaker
