# Feels Like Summer

Par Al Green

*Album : The Hi Records Singles Collection (disc 3)*

It feels like summer

I can hear the music playin'

I hear the drummer

I can the children playin'

Snow will fall, oh

The snow will fall

Snowfall

Sounds like laughter

A happy song in the days

What are we after?

I can hear mister say

**Someone will call**

**Someone will call**

**Someone will call**

Oh

Yeah

Feels like winter

Oh happy song today

In time, I can hear mister say

**Snow will fall, yea**

**Snow will fall, yea**

Yea, the snow will fall

Snow, snow, snow, snow will fall

Snow, snow, beautiful snow

Wonderful, cold snow

Snow all over the lands

Snow, oh

Snow, snow

Makes me happy just to say it, oh

You are wonderful

Wonderful snow, snow

Beautiful, wonderful

Oh, marvelous snow, snow, yea

Meanwhile think about it

Beautiful clean wonderful snow
