# Right Through You (Acoustic Album Version)

Par Alanis Morissette

*Album : Jagged Little Pill Acoustic*

Wait a minute man

You mispronounced my name

You didn't wait for all the information

Before you turned me away

Wait a minute sir

You kind of hurt my feelings

You see me as a sweet back-loaded puppet

And you've got a meal ticket taste

**I see right through you**

**I know right through you**

**I feel right through you**

**I walk right through you**

You took me for a joke

You took me for a child

You took a long hard look at my ass

And then played golf for a while

Your shake is like a fish

You pat me on the head

You took me out to wine dine 69 me

But didn't hear a damn word I said

**I see right through you**

**I know right through you**

**I feel right through you**

**I walk right through you**

Oh hello Mr. Man

You didn't think I'd come back

You didn't think I'd show up with my army

And this ammunition on my back

Now that I'm Miss Thing

Now that I'm a zillionaire

You scan the credits for your name

And wonder why it's not there

**I see right through you**

I know right through you

I feel right through you

I walk right through you, you
