### Frosty

Par Albert Collins

*Album : Blues Legends [Time Life Music]*

3 and 3 is 6, baby

3 and 6 is nine

If you gimme your 6

Baby, I'll give you mine

Well, I went to Detroit city

My feet got soaking wet

I was soaked, I was frostbitten

And I ain't thawed out yet

So long, baby

Hope we'll meet again

If you ever in trouble

Just remember I'm your friend
