Walking In The Air

Par Aled Jones

Album : The 80's Collection - Christmas (Cd2)

We're walking in the air

We're floating in the moonlit sky

The people far below are sleeping as we fly

I'm holding very tight

I'm riding in the midnight blue

I'm finding I can fly so high above with you

Far across the world

The villages go by like dreams

The rivers and the hills

The forests and the streams

Children gaze open mouth

Taken by surprise

Nobody down below believes their eyes

We're surfing in the air

We're swimming in the frozen sky

We're drifting over icy

Mountain floating by

Suddenly swooping low on an ocean deep

Arousing of a mighty monster from it's sleep

We're walking in the air

We're dancing in the midnight sky

And everyone who sees us greets us as we fly

We're walking in the air

We're walking in the air
