Tell You Something (Nana's Reprise)

Par Alicia Keys

Album : The Platinum Collection-(BOXSET)

Get so caught up everyday

Trying to keep it all together

While the time just slips away

See I know nothing lasts forever

Imagine there was no tomorrow

Imagine that I couldn't see your face

There'd be no limit to my sorrow

So all I can say

I wanna tell you something, give you something

Show you in so many ways

'Cause it would all mean nothing if I don't say something

Before it all goes away

Don't wanna wait to bring you flowers

Waste another hour, let alone another day

I'm gonna tell you something, show you something

Won't wait 'til it's too late

I can't wait, I can't wait, I won't wait, I don't wanna wait

I can't wait, I can't wait, I won't wait, I don't wanna wait

I won't wait 'til it's too late

Just a simple conversation (sation)

Just a moment is all it takes (yeah)

I wanna be there just to listen (I wanna be here)

And I don't wanna hesitate (oh no)

Imagine there was no tomorrow (imagine)

Imagine that I couldn't see your face (your face)

There'd be no limit to my sorrow (oh no)

'Cause there is nothing that can fill this space

Oh did I put it off for too long? (Too long)

I didn't say all that I had to say (say)

I wanna take the time to right the wrongs

Before we get to that place, ooh

I wanna tell you something, give you something

Show you in so many ways

'Cause it would all mean nothing if I don't say something

Before it all goes away

Don't wanna wait to bring you flowers

Waste another hour, let alone another day

I'm gonna tell you something, show you something

Won't wait 'til it's too late

Just lean on my shoulder

It's not over 'til it's over

Don't worry 'bout it

'Cause I'm gonna make sure

I'm gonna get stronger, yeah

I don't wanna wait until the storm

There's something wrong

And now you're gone

And I can't find ya

I wanna tell you something, give you something

Show you in so many ways

'Cause it would all mean nothing if I don't say something

Before it all goes away

Don't wanna wait to bring you flowers

Waste another hour, let alone another day

I'm gonna tell you something, show you something

Won't wait 'til it's too late

I wanna tell you something, give you something

Show you in so many ways

'Cause it would all mean nothing if I don't say something

Before it all goes away

Don't wanna wait to bring you flowers

Waste another hour, let alone another day

I'm gonna tell you something, show you something

Won't wait 'til it's too late

I can't wait, I can't wait, I won't wait, I don't wanna wait

(I won't wait 'til it's too late)

I can't wait, I can't wait, I won't wait, I don't wanna wait

(No, won't wait, no no)

I can't wait, I can't wait, I won't wait, I don't wanna wait

(I won't wait 'til it's too late)

I can't wait, I can't wait, I won't wait, I don't wanna wait

(No, no, no, no, no)

No, no, no

I can't wait, I won't wait

No, no

I can't wait, I won't wait
