# Almah - 07 - Golden Empire

Par Almah

*Album : Almah*

So long

You have been waiting for so long

You wait

Always the spring at the same place

Until you feel it again...

Oh... In you!

So young

Your wishes start to grow and then

You know

You need to be fast to get them

Before they leave you again

**Over the golden empire**

**Over the fortune and fame**

**All souls can live to dream away**

Only you

Can make you stronger than you are

So don't

Don't watch your life flow by your side

Without leaving a trace

**Over the golden empire**

**Over the fortune and fame**

**All souls can live to dream away**

Your souls arises glourious

Your heart reloads the manking

Don't go!

Don't leave to dream away

"From every mountainside

Just let freedom ring

We cannot be satisfied

I still have a dream

So we're free at last" (M.L.K.)

Your soul arises glourious

Your heart reloads the mankind

Don't go! Don't leave to dream away

Just a dream away
