# The Breakup Song

Par American Hi-Fi

*Album : The Art of Losing*

I can't believe I hung around with you

All this time

You drove me crazy with your O.C.D

Girl you're out of your mind

I'm counting on UFOs to beam me up

I just don't know

How long I can take this shit

I'm over it, girl you gotta go

**It's over, we're over**

**Just like in crimson and clover**

**We're sinking and I'm thinking**

**How the hell did we get so stupid?**

**It's the end, ex-girlfriend**

**I don't care what you think of me now**

**So long you're gone**

**This is the break up song**

One more thing before you go

Would you please give me my records back

My Bloody Valentine, The Pixies, Cheap Trick

And Back in Black

You can keep the dog we bought

But you cant go near the Standard Bar

Don't hang around, don't call my friends

They won't know who you are

**It's over, we're over**

**Just like in crimson and clover**

**We're sinking and I'm thinking**

**How the hell did we get so stupid?**

**It's the end, ex-girlfriend**

**I don't care what you think of me now**

**So long you're gone**

**This is the break up song**

**So long you're gone**

**This is the break up song**

**It's over, we're over**

**Just like in crimson and clover**

**We're sinking and I'm thinking**

**How the hell did we get so stupid?**

**It's the end, ex-girlfriend**

**I don't care what you think of me now**

**So long you're gone**

**This is the break up song**

**So long you're gone**

**This is the break up song**

**So long you're gone**

**This is the break up song**

**So long you're gone**

**This is the break up song**

**This is the break up song**
