Make Believe (Album Version)

Par Angra

Album : Make Believe (EP)

Sat beside the meadow watching weeds agrow

Cleaned up all the ashes of my soul

Wrote down my own sentence

Now you take your way

Fades the last remembrance

Of your lovely pretty face

I... after all

Just a lonely man

A lonely heart!

Working on the future, floating on fate

Faced the circumstances

Cleared up the shades

So make believe

There's no sorrow in your eyes

Can't you see

We could never get back from the start

Minutes waiting, life's been wasted

Maybe I wanna die some other day

Another day

Hear the whispers of your hope

The answer wasn't told

No, don't laugh seeing me cry

The end I've left behind (the whispers of your hope are left behind!)

Make believe

There's no sorrow in your eyes

Can't you see

We could never get back from the start

Minutes waiting, life's been wasted

And I've tried

Maybe you deny

Words of peace

For the future of our lives

Bring to me

Something else than a broken heart

I won't wait 'till my life is wasted

Maybe I wanna die some other day

Another day
