Girl (Live)

Par Anouk

Album : 25 Jaar MarktRock (Luxe Edition)

Girl, Girl, Girl

When I hear it talk,

My mind get's blocked girl.

Speak up cause my jaw is locked,

which is good, good for me girl.

Big hawks like a warning sign,

I'm to blind to see.

Speak up

**Yes I'm coming down with an ice cold fever
Still got my hands there clinging, so I just keep
going.**

I don't know where I belong,

Could I belong to you

No, I don't know where I belong,

Could I belong...

Girl, Girl, Girl

When they find it's hot they say,
you see I'm burning up here.

I want to
but I just can't stop and it hurts,
it hurts like hell girl.

You turn me inside out and upside down
You got me head over heels

I'm stuck

**Yes I'm coming down with an ice cold fever
Still got my hands there clinging, so I just keep
going.**

I don't know where I belong, could I belong to you
No, I don't know where I belong, could I belong.
