Dead Eyes See No Future

Par Arch Enemy

Album : Live Apocalypse

Giving our blood

To the Doomsday Machine

Fighting for ravaged land

A worthless gain

Marching on a dead end road

A violent new disorder

Feeding off mistrust

Forgot what we were fighting for

A worthless aim

A victory stinking of despair

Dead eyes

See no future

Falling from grace

We are coming home

Dead eyes

See no future

Falling from grace

We are coming home

Battalions of hate

Seeking shelter in Hell

Bloodstained memories

Will we ever be forgiven?

Our twisted fate

Time will tell

Dead Eyes

See No Future

Falling from grace

We are coming home

Dead eyes

See no future

Falling from grace

We are coming home

Dead eyes

See no future

Falling from grace

We are coming home

Dead eyes

See no Future
