# Diva Satanica

Par Arch Enemy

*Album : Wages of Sin (Disc 2) Rare & Unreleased (EP)*

Divine queen of evil

Sowing her seeds of hate

Mistress of pain

Diva satanica, master of temptation

**Medusa, abuser**

**Both beast and beauty**

**Seducer, she'll use you**

Bring you to your knees

Blinded by her infinite beauty

You are lured into the temple

The smell of incense burning

This carnal pleasure yearning

Bride of Satan

Transgress the rules of this world

Too late you realize

This love is ripping you apart

**Medusa, abuser**

**Both beast and beauty**

**Seducer, she'll use you**

As fodder for her dreams

Drinking the blood, eating the flesh

She's getting high on you

Watching you die gives her a thrill

There is always more blood to spill
