Nemesis

Par Arch Enemy

Album : 2008-3-7 Club Tittaa' Kanagawa

We walk this earth

With fire in our hands

Eye for an eye

We are nemesis

We are with you

Countless vicious souls

Fight! Fighting for freedom

United we stand

We stand

We are legion

Voice of anarchy

This is revolution

Creating new disorder

We are enemy

Opponent of the system

Crushing hypocrisy

Slaying the philistine

One for all

All for one

We are strong

We are one

One for all

All for one

We are one

Nemesis

A malicious fever burns

In our hearts in our veins

Your blood my blood

All blood runs the same

The same

One for all

All for one

We are strong

We are one

One for all

All for one

We are one

Nemesis

We are nemesis

One for all

All for one

We are strong

We are one

One for all

All for one

Nemesis!
