Christmas for the Free

Par Argent

Album : In Deep / Nexus / Ring of Hands

This is the day of Jesus

This is the day of peace

Joy to the world at Christmas, at Christmas

Jesus, this is Christmas for the free

Blunt is the pain of hunger

And cold is the wind of greed

Motherless child has a hard time for comfort

Jesus, this is Christmas for the free

Maybe you'd decide if you'd just stop talking all the while

About the author and the style of your solution, mmm

Look about you, open your heart and let your love grow

I wanna be loved and I can't be crying all the while

Ooh, I need someone to smile for just the feeling, ooh

Joy to the world at Christmas

Love to the folk who came

Meanwhile the promises and bodies are broken

Jesus, bloody in this winter wonderland

Where is the love, Jesus?

Where is the love of peace?

Where are the people who promised us comfort?

Why are they quarrelling their needs?

When this is the day of Jesus

When this is the day of peace

Joy to the world at Christmas time

Jesus, this is Christmas for the free
