# The Way (Feat. Mac Miller)

Par Ariana Grande

*Album : Ariana Grande Greatest Songs*

What we gotta do right here is go back, back to the top

I love the way you make me feel

I love it, I love it

I love the way you make me feel

I love it, I love it

Say, I'm thinking 'bout her every second, every hour

Do my singing in the shower

Picking petals off the flowers like

Do she love me, do she love me not? (love me not)

I ain't a player, I just (Player, I just...)

You give me that kind of something

Want it all the time, need it everyday

On a scale of one to ten I'm at a hundred

Never get enough, I can't stay away

If you want it, I got it, I got it everyday

You can get whatever you need from me

**Stay by your side, I'll never leave you**

And I ain't going nowhere 'cause you're a keeper

**So don't you worry, baby, you got me**

**I got a bad boy, I must admit it (Hey)**

**You got my heart, don't know how you did it (Hey)**

**And I don't care who sees it, babe**

**I don't wanna hide the way I feel when you're next to me (Hey)**

**I love the way (I love the way you make me feel)**

**I love the way (I love it, I love it)**

**Baby, I love the way (I love the way you make me feel)**

**Ooh, I love the way (I love it, I love it)**

The way you love me

Oh, it's so crazy you get my heart jumping

When you put your lips on mine

And, honey, it ain't a question (Q-q-question)

'Cause, boy, I know just what you like

So if you need it, I got it, I got it everyday

Be your lover, your friend, you'll find it all in me

**Stay by your side, I'll never leave you**

Said I ain't going nowhere 'cause you're a keeper

**So don't you worry, baby, you got me**

**I got a bad boy, I must admit it (Hey)**

**You got my heart, don't know how you did it (Hey)**

**And I don't care who sees it, babe**

**I don't wanna hide the way I feel when you're next to me (Hey)**

**I love the way (I love the way you make me feel)**

**I love the way (I love it, I love it)**

**Baby, I love the way (I love the way you make me feel)**

**Ooh, I love the way (I love it, I love it)**

**The way I love you**

I make you feel so fine, make you feel so fine  
I hope you hit me on my celly when I sneak in your mind  
You a princess to the public, but a freak when it's time  
Said your bed be feeling lonely  
So you're sleeping in mine  
Come and watch a movie with me  
"American Beauty" or "Bruce Almighty" that's groovy  
Just come and move closer to me  
I got some feelings for you I'm not gonna get bored of  
But, baby, you're an adventure so let me come and explore you

**So don't you worry, baby, you got me**

**I got a bad boy, I must admit it (Hey)**

**You got my heart, don't know how you did it (Hey)**

**And I don't care who sees it, babe**

**I don't wanna hide the way I feel when you're next to me (Hey)**

I love the way (I love the way)

**I love the way (I love it, I love it)**

Baby, I love the way (I love the way)

Ooh, I love the way (I love it, I love it)

I love the way (I love the way you make me feel)

I love the way (I love it, I love it)

Baby, I love the way (I love the way you make me feel)

Ooh, I love the way (I love it)

The way I love you

The way I love you, you, you, yeah, the way

I love the way you make me feel

I love it, I love it

I love the way you make me feel

I love it

The way I love you
