Perfect Sky

Par Armin van Buuren

Album : Universal Religion Chapter 4 (Mixed by Armin van Buuren)

I might never be your knight in shining armour

I might never be the one you take home to mother

And I might never be the one who brings you flowers

But I can be the one, be the one tonight

When I first saw you from across the room

I could tell that you were curious, oh yeah

Girl, I hope you're sure what you're looking for

'Cause I'm not good at making promises

But if you like causing trouble up in hotel rooms,

And if you like having secret little rendezvous

If you like to do the things you know that we shouldn't do

Baby, I'm perfect

Baby, I'm perfect for you

And if you like midnight driving with the windows down

And if you like going places we can't even pronounce

If you like to do whatever you've been dreaming about

Baby, you're perfect

Baby, you're perfect

So let's start right now

I might never be the hands you've put your heart in

Or the arms that hold you anytime you want it

But that don't mean that we can't live here in the moment

'Cause I can be the one you love from time to time

When I first saw you from across the room

I could tell that you were curious, oh yeah

Girl, I hope you're sure what you're looking for

'Cause I'm not good at making promises

But if you like causing trouble up in hotel rooms,

And if you like having secret little rendezvous

If you like to do the things you know that we shouldn't do

Baby, I'm perfect

Baby, I'm perfect for you

And if you like midnight driving with the windows down

And if you like going places we can't even pronounce

If you like to do whatever you've been dreaming about

Baby, you're perfect

Baby, you're perfect

So let's start right now

And if you like cameras flashing everytime we go out

Oh yeah

If you're looking for someone to write your break-up songs about

Baby I'm perfect,

Baby we're perfect

If you like causing trouble up in hotel rooms

And if you like having secret little rendezvous

If you like to do the things you know that we shouldn't do

Baby, I'm perfect

Baby, I'm perfect for you

And if you like midnight driving with the windows down

And if you like going places we can't even pronounce

If you like to do whatever you've been dreaming about

Baby, you're perfect

Baby, you're perfect

So let's start right now
