Not Giving Up On Love

Par Armin Van Buuren Vs. Sophie Ellis-Bextor?

Album : Trance Voices-The New Chapter

I know your feeling restless

Like life's not on your side

It's weighing heavy on your mind

But when we stand united

Our hearts they beat in time

I know we'll make it all alright

Let's bring it back to you and me

There's no one else around

Now don't get lost in gravity

'Cause I want you to hold me now

Nothing else matters

It's just the two of us

And if it all falls down

Nothing else matters

You know we're strong enough

I'm not giving up

I'm not giving up on us

I said I'm not giving up

I'm not giving up on love

'Cause I feel it inside

Taking over tonight

I'll be there when the storm is breaking

In this moment I'm yours

You can always be sure

That together we're gonna make it

So baby want you hold me now

Nothing else matters

It's just the two of us

And if it all falls down

Nothing else matters

You know we're strong enough

I'm not giving up

I'm not giving up on us

I said I'm not giving up

I'm not giving up on love

Hold me now

Nothing else matters

It's just the two of us

And if it all falls down

Nothing else matters

You know we're strong enough

I'm not giving up

I'm not giving up on us

I said I'm not giving up

I'm not giving up on love
