Empty Handed Saturday Blues

Par Asaf Avidan & The Mojos

Album : The Reckoning - Re-Release inkl. Wankelmut Remix

Baby, I've got some news

You ain't gonna like

Baby I've gone and made you my muse

Believe me, I wasn't even trying.

Now, I've got you on the run again

Now I've got you leaving on your train

Now I've got nothing in my hand

Now I've got you on the run again

Babe, you've got me on the ropes

Babe, you've got me, only god knows

Disappearing with no cause.

Now, I've got you on the run again

Now I've got you leaving on your train

Now I've got nothing in my hand

Now I've got you on the run again
