# The Last Day in the Life of Grand

Par Ashley Park

*Album : The American Scene*

I guess it's not enough

To feel yourself by giving up

Sometimes it's all we've got

Sometimes it's broken on the rocks

And if it's not like Brian sang

Surf's up mhm

But only for the moment

But the moment doesn't last

Am I reaching you too fast?

**We'll hit the West Coast of Wisconsin**

If I'm still talking to a friend

Back by popular demand

**The last day in the life of grand**

**We'll hit the West Coast of Wisconsin**

Drive through the ruins of old LA

Sittin', talking to a friend

**The last day in the life of grand**
