Blinded by Fear

Par At the Gates

Album : The Best Metal Album in the World

We are blind to the worlds within us

Waiting to be born

I cast aside my chains

Fall from reality

Purgatory unleashed

Now burn the face of the earth

Purgatory unleashed

Now burn the face of the earth

The face of all your fears

All your fears unleashed

The face of all your fears

Born of the demon sky

Twisting reality

Sweet nauseating pain

Is death the only release?

Nauseating pain

Is death the only release?

The face of all your fears

All your fears unleashed

The face of all your fears

The face of all your fears

I cast aside my chains

Fall from reality

Suicidal diseases

The face of all your fears

Now covered with scars

Humanity exiled

Purgatory unleashed

Now burn the face of the earth

Purgatory unleashed

Now burn the face of the earth

The face of all your fears

All your fears unleashed

The face of all your fears
