Baby, you know the nights are forever without you

And I'm plannin' to make up for lost time

So hold me don't let go of me

Let your love flow like never before

Seemed it's been a lifetime

But you are worth waiting for

Even after you give me your love

Give me more and more and more

And more and more I'll take all that you have

Give me more and more and more

And more and more

'Cos I never get enough of your love

Yeah, yeah

Nobody knows what tomorrow may bring

Baby, so let's take advantage of the time we had

So hold me don't let go of me

Let me fill you with all the love that I've got

'Cos you are the fan that I don't wanna ever lose

Can't you see I stayed home [Incomprehensible] for you

Give me more and more and more

And more and more I'll take all that you have

Give me more and more and more

And more and more

'Cos I never get enough of your love

No, no

I love you tonight, I love you forever

Can't imagine livin' here without you

We can feel that this feeling's real

We'll just keep pouring fuel on this red hot flame

So hold me don't let go of me

Let me fill you with all the love that I've got

'Cos you are the fan that I don't wanna ever lose

Can't you see I stayed home [Incomprehensible] for you, yeah

Give me more and more and more

And more and more I'll take all that you have

Give me more and more and more

And more and more

'Cos I never get enough of your love

No, no, no, no, no, no
