# The River

Par AURORA

Album : AURORA

(Hold your hands)

Hold your hands onto your chest

And tell me what you find

Out of you, a sparrow comes

And sees without its eyes

Don't forget who you are even though you are hurt

You are caught in a wire and soon it will burst

**You can cry**

**Drinking your eyes**

**Do you miss the sadness when it's gone?**

**And you let the river run wild**

**And you let the river run wild**

I am a shadow, I am cold

And now I seek for warmth

Stitch your skin on to my skin

And we won't be alone

Don't forget who you are even though you're in need

Like a bird in the night, your emotions deserve to be freed

**You can cry**

**Drinking your eyes**

**Do you miss the sadness when it's gone?**

**And you let the river run wild**

**And you let the river run wild**

**You can cry**

**(You can cry, you can cry)**

**Drinking your eyes**

**I don't miss the sadness when it's gone**

**And the feeling of it makes me smile**

**As I let the river run wild**

**You can cry, you can cry, you can cry**

To where the ocean is bigger

Become a part of the river

**You can cry, you can cry, you can cry**

Can you let the river run wild?

**You can cry**

**(You can cry, you can cry, you can cry)**

**Drinking your eyes**

**Do you miss the sadness when it's gone?**

**(You can cry, you can cry, you can cry)**

**And you let the river run wild**

As you let the river run wild

**You can cry**

**(You can cry, you can cry)**

**Drinking your eyes**

(To where the ocean is bigger)

**I don't miss the sadness when it's gone**

**And the feeling of it makes me smile**

**As I let the river run wild**

**You can cry**

**Drinking your eyes**

**Do you miss the sadness when it's gone?**

**And you let the river run wild**

**And you let the river run wild**
