Buried Alive

Par Avenged Sevenfold

Album : Graspop Festival, Belgium - 26/06/2011

Take the time just to listen

When the voices screaming are much too loud

Take a look in the distance

Try and see it all

Chances are that you might find

That we share a common discomfort now

I feel I'm walking a fine line

Tell me only if it's real

Still, I'm on my way

(On and on it goes)

Vacant hope to take

Hey, I can't live in here for another day

Darkness has kept the light concealed

Grim as ever

Hold on to faith as I dig another grave

Meanwhile, the mice endure the wheel

Real as ever

And it seems I've been buried alive

I walked the fields through the fire
Taking steps until I found solid ground
Followed dreams, reaching higher
Couldn't survive the fall
Much has changed since the last time
And I feel a little less certain now
You know, I jumped at the first sign

Tell me only if it's real

Memories seem to fade

(On and on it goes)

Wash my view away

Hey, I can't live in here for another day

Darkness has kept the light concealed

Grim as ever

Hold on to faith as I dig another grave

Meanwhile, the mice endure the wheel

Real as ever

And I'm chained like a slave

Trapped in the dark

Slammed all the locks

Death calls my name

And it seems I've been buried alive

Take you down now

Burn it all out

Throw you all around

Get your fucking hands off me

What's it feel like?

Took the wrong route

Watch it fall apart

Now you're knockin' at the wrong gate

For you to pay the toll

A price for you alone

The only deal you'll find

I'll gladly take your soul

While it seems sick

Sober up quick

Psycho lunatic

Crushing you with hands of fate

Shame to find out when it's too late

But you're all the same

Trapped inside, inferno awaits

Evil thoughts can hide

I'll help release the mind

I'll peel away the skin

Release the dark within

This is now your life

Strike you from the light

This is now your life

Die buried alive

This is now your life (what's it feel like?)

Strike you from the light (let me take in your soul)

This is now your life (what's it feel like?)

Die buried alive (let me take in your soul)

This is now your life

Die buried alive
