Eternal Rest (Live In Pomona)

Par Avenged Sevenfold

Album : Waking The Fallen Resurrected Disk 2

Black enchanting eyes cut through my heart with no regret or sign of life

They tear apart my pride and cold runs through my veins

I feel their stare from miles haunting every step and they won't stop hunting me down

I know the time will come when all around me's burned and you'll still see me there

Asking where you went too and what person brought you here

And why you left the burning children cold out in the night

And calling for you all alone

Dark in their hearts, I can feel it burn inside of me

Tormented young with no souls haunting me

Pain in their lives all they know is misery

Take these chains away that are holding me down

Holding me down

They'll find you alone and your desperate and villainous ways

Turning their hearts into stone they seek more than vengeance

Look in their eyes, your pain is their satisfaction

Look in their eyes and see the darkness take hold

I'm consumed by fate (waiting for)

Tired of your parade (waiting for)

No sign of vengeance (waiting for)

Burn for the rest of time (waiting)

Hear the haunting words

Lost children with no heart are crying

And you're the lost mother they're calling

Go now, run and hide

I hear them crying at night

Outside when the planets are falling

They want to feel and know you hear them

Go now, run and hide

Dark in their hearts, I can feel it burn inside of me

Tormented young with no souls haunting me

Pain in their lives all they know is misery

Take these chains away that are holding me down

Go now, run and hide

Eternal rest in time

Eternal rest in time
