I Could Be the One (Nicktim Mix)

Par Avicii & Nicky Romero

Album : I Could Be the One (Remixes) - EP

Do you think about me when you're all alone?

The things we used to do we used to be

I could be the one to make you feel that way

I could be the one to set you free

Do you think about me when the crowd is gone?

It used to be so easy, you and me

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

When you need a way to beat the pressure down

When you need to find a way to breathe

I could be the one to make you feel that way

I could be the one to set you free

If you wanna see me when the crowd is gone

It used to be so easy can't you see?

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free

I could be the one to make you feel that way

I could be the one to set you free
