Not Enough

Par Avril Lavigne

Album : Goodbye Lullaby Disc 1

I'm sorry if this hurts you

But I tried to keep what we had once, I was wrong

It wasn't keeping me awake

You didn't listen (you didn't listen)

You didn't hear me (you didn't hear me)

When I said, "I want more", I got no more

You weren't stealing me away, oh

It's not enough, it's not enough

To give me what it is I want

It's not enough, it's not enough

To get me everything I need

And I, I wish it was

I think it's time to give this up

Oh-oh, oh-oh, oh-oh, oh-oh

Oh

All the memories that we're losing

All the time that I spent with you everyday

I think is running down the drain

I'm feeling (feeling) that we're fading

Don't make this as hard as you think it would be

It's a lot easier than it seems, yeah

It's not enough, it's not enough

To give me what it is I want

It's not enough, it's not enough

To get me everything I need

And I, I wish it was

I think it's time to give this up

And I can feel it falling down slowly, slowly

I can see us starting to drown, can't stop it now

I can see it burning out, so show me, show me

How you gonna turn it around, because

It's not enough, it's not enough

To give me what it is I want

It's not enough, it's not enough

To get me everything I need

It's not enough, it's not enough

To give me what it is I want

It's not enough, it's not enough

To get me everything I need

And I, I wish it was

I think it's time to give this up

It's not enough, it's not enough (to give me)

It's not enough, it's not enough (what it is I want)

It's not enough, it's not enough (to get me)

For me, yeah, yeah (everything I need)

It's not enough, it's not enough (to give me)

It's not enough, it's not enough (what it is I want)

It's not enough, it's not enough (to get me)

For me, yeah, yeah

Hey, hey

Oh, hmm-mm

Oh, hmm
