Uh Huh

Par B2K

Album : Vol. 10

Yeah

Hey yo trick

How you gonna come up wit something like this, man?

Yeah, when this come on

They'll be like, "Uh huh", ha ha

Red zone

Yo, B2K

Yo, where you at?

Girl, you messed up when you let me in

Told your best friend, you wantin' me

Then she called me up and hipped me to your steez

Told me that you were lookin' for a guy like me

So I said hold on, I don't want

Unless Shorty really wanna have some fun

Then she said that you told her I was what you want

When I call you don't try to front, uh huh

I'm the guy in your dreams

That you had last night

I'm the Benz wit the twenties

That you wanna drive

I'm the thug in your life

That'll treat you right

Got ya hooked 'coz I'm bringing everything you like

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Now we're all out in the open

Everybody knows about you and me

Ain't no more need for you and me to creep

I want you so bad I don't care who sees

So girl, hold on, got what you want

I know you ain't scared to go an' have some fun

So let your girlfriends know you found someone

Who'll be keepin' you tight and crunk, uh huh

I'm the guy in your dreams

That you had last night

I'm Benz wit the twenties

That you wanna drive

I'm the thug in your life

That'll treat you right

Got ya hooked 'coz I'm bringing everything you like

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Two months of conversation

Man, this is a major

Spit tha game undercover

I'm lethal like Danny Glover

Got you runnin' to your mother

Makin' plans for life

Yo, I'm only fifteen, what I need wit a wife?

We can walk through tha mall while I hold ya hips

Or you can hang out tha drop while I'm pushin' tha whip

Take you on a ride you will never forget

Runnin' home, tellin' your friends, "Lil' Fizz is it"

Got ya hooked by tha way that I lick my lips

Then I got many dimes, I ain't sweatin' it chick

Yo, I run these girls from coast to coast

Drop the game so sick I got 'em doin' tha most, come on

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it

Uh huh

I know that you wantin' this

Uh huh

Tell me, can you handle it?

Uh huh

Show me how you work them hips

Uh huh

And maybe you can roll wit it
