Every Time I Think of You

Par Babys

Album : Anthology

Every time I think of you

It always turns out good

Every time I've held you

I thought you understood

People say a love like ours

Will surely pass

But I know a love like ours

Will last and last

But maybe I was wrong

Not knowing how our love should go

(How our love, how our love should go)

But I wasn't wrong

In knowing how our love would grow

(How our love, how our love would grow)

(And every time I think of you)

Every time

(Every time I think of you)

Every single time

(It always turns out good)

Seasons come and seasons go

But our love will never die

Let me hold you darling

So you won't cry

'Cause people say that our love affair

Will never last

But we know a love like ours

Will never pass

But maybe I was wrong

Not knowing how our love should go

(How our love, how our love should go)

But I wasn't wrong

In knowing how our love would grow

(How our love, how our love would grow)

(And every time I think of you)

Every time

(Every time I think of you)

Every single time

(It always turns out good)

People say a love like ours

Will surely pass

But I know a love like ours

Will last and last

But maybe I was wrong

Not knowing how our love should go

(How our love, how our love should go)

But I wasn't wrong

In knowing how our love would grow

(How our love, how our love would grow)

And every time I think of you

Every time I think of you

Every time I think of you

It always turns out good

Every time I think of you

Every time I think of you

Every time I think of you (every time)

Every time I think of you (think of you)

Every time I think of you (every time)

Every time I think of you (think of you)

Every time I think of you (every time)

Every time I think of you (think of you)

Every time I think of you (every time)

Every time I think of you (think of you)
