Just To Be Close To You

Par Backstreet Boys

Album : Backstreet Boys (The Start Of The Phenomenon - Debut Album Collectors Edition)

This is for the lovers

Strictly for the lovers, yeah

You got someone you wanna get close to

Then get close to this

Oh oh, oh oh

Just to be close to you

Yo, drop the verse

Like a flower to a tree

That's how close I wanna be

To your heart (Baby to your heart, heart)

Like the stars to the night

And daytime is to light

We'll never part (We'll never part)

I want you to be

The only thing that I see

'Cause I believe it's our destiny

Just to be close

Just to be close

It's the only thing

That I wanna do (That I wanna do)

Ooh, just to be close (Close)

Just to be close, just to be close to you (Closer to you)

Just to be close

So lonely is the night

Without you to hold me tight (I wanna hold you closer)

I need you (Baby, hold me closer, closer)

My life would mean nothing

Without the joy you bring

To me, you know, you know, you know

There will never be

No one else for me

You are like a dream, that became reality

Just to be close (So close)

Just to be close

It's the only thing

That I wanna do (That I wanna do)

Oh, just to be close (Close to you baby)

Just to be close (Close to you)

Just to be close to you (Baby, baby)

Just to be close

I'm gonna give you all my love

I'm gonna give it to you

I'm gonna give it to you

All my love (All my love), I'm gonna give it to you

I'm gonna give it to you

Give you everything you need

I'm gonna give it to you

I'm gonna give you all you want (To be close to you)

To be close to you (Close to you)

Close to you

Just to be close (Just to be close)

Just to be close (Is all I want)

It's the only thing (The only thing)

That I wanna do (That I wanna do)

Oh, just to be close (Just to be close)

Just to be close, (So close) just to be close to you

(And hold you)

Just to be close

I don't want to be alone

I'll never, never, never ever let you go

Just wanna be close to you

I don't want to be alone, girl

I'll never, never, never ever let you go

Just to be close

Never be (Never be)

No one else for me

You are like a dream

That became reality

Just to be close

Just to be close (I wanna be close)

It's the only thing

That I wanna do (That I wanna do)

Oh, just to be close (Close, close, close)

Just to be close, just to be close to you (I just wanna be close to you)

Just to be close

Oh oh, oh oh

I just wanna be close to you
