# Above You, Below Me

Par Badly Drawn Boy

*Album : About a Boy*

Don't wanna give

Don't wanna steal

Don't wanna be anything I'm not

You take answers

I give questions

Like some rolling monologue

Wanna be the one to say

That today could be the day

A pity to believe in what

You know is what you know

**I will take you as you are**

**Please accept me as I am**

Find your lonely life design

**Know it's above you, I know it's below me**

Don't wanna live life in your shoes

I don't feel I know the way

Feeling you, giving me directions I don't need

Up and up and round we go

First it's fast and then we're slow

Could you connect with my intellect

I won't take you as you are

Please don't take me as I am

**Find your lonely life bizarre**

You'll see this in love

You'll see this in life

For an all year round reception

For a love with no connection

Knowing you, knowing my

Ignorance to more than life

**Know it's above you, I know it's below me**

**I will take you as you are**

**Please accept me as I am**

**Find your lonely life bizarre**

**Know it's above you, I know it's below me**

I will take you as you are

Please accept me as i am

There'll be something in the wind

To show us we're right and tell us we're wrong

I want to move on
