People

**People who need people**

Are the luckiest people in the world

We're children, needing other children

And yet letting our grown-up pride

Hide all the need inside

Acting more like children

Than children

Lovers are very special people

They're the luckiest people

In the world

**With one person, one very special person**

**A feeling deep in your soul**

**Says you were half**

**Now you're whole**

**No more hunger and thirst**

**But first be a person**

**Who needs people**

**People who need people**

**Are the luckiest people**

**In the world!**

**With one person, one very special person**

**A feeling deep in your soul**

**Says you were half**

**Now you're whole**

**No more hunger and thirst**

**But first be a person**

**Who needs people**

**People who need people**

**Are the luckiest people**

**In the world!**
