Keep on Dancing

Par Bay City Rollers

Album : Once Upon a Star [Bonus Tracks]

Keep on dancing

Keep on doin' the jerk

Shake it, shake it baby

Come on and show me how you work

Now you're in motion

Keep on dancin' and a prancin'

I'm gonna do the locomotion yeah

Keep on dancin' and a prancin'

Well don't you hurry me away

Keep on dancin' and a prancin'

Shake it shake it till the break of day

Keep on dancin' and a prancin'

Keep on dancin' and a prancin'

Keep on dancin' and a prancin'

Keep on dancing

Keep on dancin' and a prancin'

Keep on doin' the jerk

Keep on dancin' and a prancin'

Shake it, shake it baby

Keep on dancin' and a prancin'

Come on and show me how you work?

Now you're in motion

Keep on dancin' and a prancin'

I'm gonna do the locomotion yeah

Keep on dancin' and a prancin'

Well don't you hurry me away

Keep on dancin' and a prancin'

Shake it shake it till the break of day

Keep on dancin' and a prancin'

Keep on dancin' and a prancin'

Keep on dancin' and a prancin'

{All right everybody

We wanna see y'all get up and dance

We wanna see y'all

Havin' a real good time

And now by popular demand

Keep on dancin', dancin', dancin'}

Keep on dancing

Keep on dancin' and a prancin'

Keep on doin' the jerk

Keep on dancin' and a prancin'

Shake it, shake it baby

Come on and show me how you work

Now you're in motion

Keep on dancin' and a prancin'

I'm gonna do the locomotion yeah

Keep on dancin' and a prancin'
