# Someday Baby

Par B.B. King

*Album : My Kind of Blues: Crown Series, Volume 1*

Don't care when you go

How long you stay

But good kind treatments

Will bring you back someday

**But someday baby**

**I ain't gonna worry my life anymore**

Aw, but one thing

Really give me the blues

When I wore a hole

In my last pair of shoes

**But someday baby**

**I ain't gonna worry my life anymore**

Just keep on a-bettin'

About the...

You're gonna leave here runnin'

Almost too fast

**But someday baby**

**I ain't gonna worry my life anymore**

Don't like everybody

In my neighborhood

I got a no-good woman

She don't mean me no good

**But someday baby**

**I ain't gonna worry my life anymore**
