Someday Baby

Par B.B. King

Album : My Kind of Blues: Crown Series, Volume 1

Don't care when you go

How long you stay

But good kind treatments

Will bring you back someday

But someday baby

I ain't gonna worry my life anymore

Aw, but one thing

Really give me the blues

When I wore a hole

In my last pair of shoes

But someday baby

I ain't gonna worry my life anymore

Just keep on a-bettin'

About the...

You're gonna leave here runnin'

Almost too fast

But someday baby

I ain't gonna worry my life anymore

Don't like everybody

In my neighborhood

I got a no-good woman

She don't mean me no good

But someday baby

I ain't gonna worry my life anymore
