On the Beat

Par B.B. & Q. Band

Album : Greatest Hits of the 80's (Disc 7)

(Are you ready or not

It's only up the street

I'm a-beggin' you now

It's where we both could be)

How's about your company this evenin'?

(Won't you say that you are free)

Take you out to somewhere really special

(Oh won't you come along with me)

From what I've heard them say

The music that they play

Is nothin' like you've ever heard before

Once you get to dancin' you can stomp your feet

(')Cause the rhythm keeps in time

What do you say now?

(Are you ready or not)

(It's only up the street)

(Everybody's dancin')

(And everybody's on the beat)

(I'm a-beggin' you now)

(It's where we both could be)

(Everybody's dancin')

And everybody's on the beat)

(Are you ready or not

It's only up the street

Everybody's dancin'

And everybody's on the beat)

Say that you accept this invitation

(Oh, won't you say you'll come along?)

Music can give lovers inspiration

(It's just the place that we belong)

Nobody has a care

When there's music in the air

It's nothing like you ever seen before

(People dancin' all night long)

Won't you say you got the time

Wanna go there

(Are you ready or not, it's only up the street)

(Everybody's dancin' and everybody's on the beat)

(I'm-a beggin' you now it's where we both can be)

(Everybody's dancin' and everybody's on the beat)

What you say? You and I should go together

(What you say?) It's for everyone to see

What you say? Do you want to come along with me?

Uuhh!!

(Are you ready or not?)

(I'm-a beggin' you now)

(Are you ready or not?)

It's only up the street)

(I'm-a beggin' you now

It's where we both could be)

How's about your company this evenin'?

(Won't you say that you are free)

Take you out to somewhere really special

(Oh won't you come along with me)

From what I've heard them say

The music that they play

Is nothing like you ever heard before

Once you get through dancin'

You can't stop your feet

'Cause the rhythm keeps in time, what you say now?

(Are you ready or not, it's only up the street)

(Everybody's dancin' and everybody's on the beat)

(I'm-a beggin' you now it's where we both can be)

(Everybody's dancin' and everybody's on the beat)

(Are you ready or not, it's only up the street)

(Everybody's dancin' and everybody's on)

(Are you ready or not, it's only up the street)

(Everybody's dancin' and everybody's on the beat)

(I'm-a beggin' you now it's where we both can be)

(Everybody's dancin' and everybody's on the beat)

(Are you ready or not, it's only up the street)

(Everybody's dancin' and everybody's on the beat)

(I'm-a beggin' you now it's where we both can be)

(Everybody's dancin' and everybody's on the beat)
